

Postgraduate Pathology Course:
in haematopathology
November 18-19, 2005

Venue: Rigshospitalet, auditorium A, Teilmbygningen, Copenhagen

Scientific organizer and chairperson: professor dr. med. Elisabeth Ralfkiaer

Program:

Friday 18th November

- 12.30 - 13.00: Sandwiches
- 13.00 - 14.00: B-cell malignancies, classification and diagnosis I (NLH)
- 14.00 - 15.00: B-cell malignancies, classification and diagnosis II (NLH)
- 15.00 - 15.30: Coffee
- 15.30 - 16.15: B-cell malignancies: genetic and epigenetic alterations (KG)
- 16.15 - 17.00: B-cell malignancies: analysis by microarrays (CBP)
- 17.00 - 18.00: Lymphoproliferative diseases in immunodeficiency (SHD)

Saturday 19th November

- 9.00 - 10.00: Myeloproliferative disease: diagnosis and classification (BLP)
- 10.00 - 11.00: Myeloproliferative disease: cytogenetics (MKA)
- 11.00 - 11.30: Coffee
- 11.30 - 12.00: Specific haematological problems in children (BLP)
- 12.00 - 13.00: Classification of lymphomas and leukemias: clinical implications (OJN & MH)

NLH: Professor Nancy L Harris, Department of Pathology, Massachusetts General Hospital, Boston.

KG: Læge dr. med. Kirsten Grønbæk, hæmatologisk afdeling, Rigshospitalet, København.

CBP: Klinisk assistent Christian B Poulsen, patologi afd., Rigshospitalet, København.

SHD: Professor Stephen Hamilton Dutoit, patologiafdelingen, Århus sygehus.

BLP: Overlæge ph.d. Bodil Laub Petersen, patologiafdelingen, Rigshospitalet, København.

MKA: afdelingslæge Mette Klarskov Andersen, klinisk genetisk afd., Rigshospitalet, København.

OJN: Overlæge dr. med. Ove Juhl Nielsen, hæmatologisk afdeling, Rigshospitalet, København.

MH: Overlæge dr. med. Mads Hansen, hæmatologisk afdeling, Rigshospitalet, København.
